ABOUT CERAMICS NOW

Brief Introduction

Ceramics Now is a leading art publication specialized in contemporary ceramics.

With contributors worldwide, Ceramics Now has been showcasing the vibrancy and diversity of contemporary ceramic art since 2010.

DIGITAL PUBLICATION

www.ceramicsnow.org

The digital publication provides artist profiles, articles, interviews, essays, exhibition announcements, and other resources for ceramic artists, educators, and enthusiasts.

Every month, Ceramics Now is read by over 70,000 people and receives around 600,000 views across social media. Our audience includes ceramic art professionals—artists, curators, educators, collectors, and students—as well as an informed public for whom ceramics is an integral part of life.

More than 50% of our readers are based in the United States, 25% in the European Union, and 15% in the United Kingdom, offering a truly international reach.

LEADING NEWSLETTER

Ceramics Now Weekly

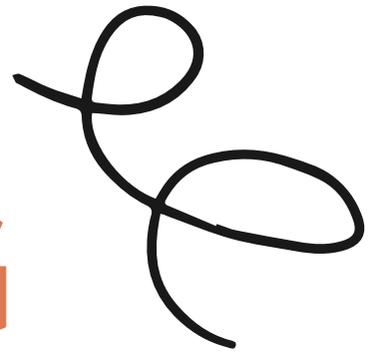

We are proud to publish Ceramics Now Weekly, a leading newsletter that delivers engaging content, artist features, and the latest news in the world of ceramics to over 25,000 subscribers (stats updated in January 2026). CN Weekly is a highly anticipated publication released twice a month.

Our newsletters have an impressive 52% open rate and 15% click rate, well above the market averages (26.27% and 2.95%, respectively, according to email marketing benchmarks).

ADVERTISING

— Opportunities

Ceramics Now offers advertisers the opportunity to have an impact on an established readership interested in art exhibitions, galleries and museums, competitions, residencies, services, jobs, books, and other products.

We only work with advertisers that provide value to our readers.

Join us and use Ceramics Now as part of your successful promotional strategy.
